

INVICTUS

RUCHÈ DI CASTAGNOLE MONFERRATO D.O.C.G.

A wine of great elegance, velvety and lingering, it is a true rarity, found only in this corner of Piedmont. The grape is autochthonous and can be grown only in a limited area around the Tenuta Montemagno.

INVICTUS comes from particular Ruchè grapes with late harvesting, to give to this wine structure and personality. With an intense red colour and purple/black highlights, this wine presents notes of roses, violets and riped red fruits. Full, clearly tannic and aromatic, Invictus has a long longevity and elegance. Should be served at a temperature of 18-20°C.
