

SOLIS VIS

MONFERRATO BIANCO D.O.C.

Made with monovarietal Timorasso grapes. Brilliant straw-yellow with intense pale-green reflections. This wine is notable for its pronounced minerality and complex nose, its intense, warm aromas, and the clear notes of apples, pears and gunflint.

Assertive in the mouth, the typical vigour of the variety is offset by long ageing on the yeasts, which gives it remarkable body and fullness. Elegant, with a pleasant touch of freshness and tang. Notable for the surprising length of the finish. A wine with excellent ageing prospects.
Serve at 10°-12°C.
